**Conditions on
License # L208-50218
On Sale Liquor Class A
with Sunday Sales**

Ward 7

Your license, if granted, will be based on the following conditions:

- 1) No "18 plus" or "all ages" event shall be provided in the establishment unless the applicant notifies the Local Police Precinct in writing upon the booking of the event or at least twenty four (24) hours prior to the event, which ever is sooner, if the event is in addition to the schedule adopted by Epic and on file with the Local Police Precinct. For purposes of this agreement, an "18 plus/all ages" event shall be defined as an event that is advertised as an 18 plus/all ages event that offeres live entertainment or a DJ in a nightclub type setting.
- 2) The licensee will collect all litter within 100 feet of the exterior of the building housing the licensed premises on a daily basis.
- 3) Noise from the establishment will be kept to a minimum by taking appropriate measures as required in 360.55 of the Minneapolis Code of Ordinances. Noise coming from patrons of the establishment will be managed consistent with the requirements of Chapter 389 of the Minneapolis Code of Ordinances.
- 4) The business agrees not to install payphones either inside or outside the establishment.
- 5) Follow all laws and rules of the City of Minneapolis and the State of Minnesota relating to operating an establishment with on sale beverage alcohol license.
- 6) During any 18+/all ages event an Alcoblow/intoxilyzer shall be employed on all patrons entering the establishment who in the reasonable judgment of the on-site management/staff of Epic appear to be under the influence of an alcoholic beverage. Any patron under the age of 21 with any detectable presence of alcohol in their system shall be refused admittance into the establishment. As part of all 18+/all ages events, those under the age of 21 shall be separated by means of physical barrier, wall separation, use of separate floor(s) in the space, etc. so as to not allow the purchasing, possession, or consumption of beverage alcohol by those patrons under the age of 21.
- 7) During any 18+/all ages event an identification card reader shall be available, and shall be employed to verify, along with visual inspection of the identification, the age of each patron, if in the reasonable judgment of the on-site management/staff of Epic the individual is not personally known to be 21 years of age, or there is reasonable suspicion that the identification presented is inadequate to establish the age of the patron, the patron will be refused admittance into the establishment.

- 8) A Youth Alcohol Prevention Plan will be submitted by November 1, 2007 or at the time of the signing of this agreement, whichever is later. The Plan will entail the measures the establishment will take to ensure under age patrons are not served beverage alcohol (examples – secret shoppers, monthly staff meeting discussing carding policy, define the policy, etc.).
- 9) The applicant or designated representative shall regularly attend the Downtown Entertainment District Security Meetings (Bar Watch) and maintain current email contacts with Travis Glampe of the First Police Precinct or another designated contact.
(Travis.Glampe@ci.minneapolis.mn.us)
- 10) Employees of the applicant shall receive alcohol server training from an approved provider at a minimum on a yearly basis. All new employees shall attend a server training prior to serving beverage alcohol.
- 11) All persons seeking to gain entrance to the establishment after 10:00 pm shall be required to present legitimate identification as a condition of entrance except during private events that are not open to the public.
- 12) The applicant shall compile, maintain and share a "do not admit" list and video surveillance system recordings with the local Precinct or any other official of the City of Minneapolis upon request to prevent reoccurrence of disturbances by known persons.
- 13) When in use any VIP area within the establishment will be staffed at all times with at least one employee of the licensee who has received alcohol server training.
- 14) All ID's confiscated due to improper use by the patron or because the ID is counterfeit or otherwise invalid or defective, will be turned over to the First Police Precinct within 24 hours.
- 15) No VIP wristbands or any other privileges which would permit or allow the consumption of alcoholic beverages will be extended to any person without first verifying legal age to consume alcoholic beverages.
- 16) Epic at all times will keep an accurate occupancy count and immediately share such figures upon the request of any official or officer of the City of Minneapolis. Epic shall not let more patrons into the establishment than is legally allowed.
- 17) Metal Detectors shall be used at the door as deemed appropriate by Epic on site management/staff.
- 18) The applicant will schedule and maintain adequate security beyond closing time to assist in effective dispersal of venue-associated crowds from the sidewalk in front of the licensed premise.
- 19) The applicant further agrees not to permit employees to distribute, handbills, flyers, or business advertising cards to the public, or hire others in the business of distributing handbills, flyers or business advertising cards, in or on any publicly owned street or sidewalk in the City of Minneapolis. An independent promoter or lessee of Epic or any portion thereof, is not an "employee" or "hire" of Epic for the purposes of this requirement.

I have read and understand the conditions listed above. I agree with the conditions and I understand that failure on my part or the part of my company or employees to adhere to these conditions may be cause for future adverse licensing action including but not limited to: denial of the renewal of the license; denial of future expansion license requests; suspension; revocation; possible criminal prosecution and/or revocation of my business licenses.

These conditions take effect upon the signing of this agreement and will be in full force and effect for the duration of the license.
